Prayer Of Love

Allāhumma ṣalli wa sallim ʿalā Sayyidina Muhammad ۞ ṣalātan tuʿarrifunā bihā iyyāh ۞ wa ʿalā ālihi ḥaqqa qadrihi wa miqdārihi l-ʿaẓīm ۞

The prayer of ṣalāt & salām upon the Messenger of Allah ﷺ can be recited for any objective or aspiration, worldly & otherworldly. The greatest aspiration that one can ask for is that our Lord, most exalted, make known to us the immeasurable rank & worth of this noble Prophet, & that He grants us the vision of him ﷺ in this life before the next, & for our prayers for him ﷺ to be equal to his tremendous & blessed stature. There is nothing that our Lord esteems more than him ﷺ. Truly, this prayer is infused with love & as such it suffices.

I give authorization for this prayer to everyone who has been happily blessed by Allah the Exalted to recite salawat upon the Messenger ﷺ in both the realms of the mulk & the malakūt, with its secret & the secret of its secret.
